

Summer Surf Adventure Day Camp with Zuma Surf & Swim Training August 15 - 19

Our camp will be dedicated to the advancement of beginning and intermediate surfers. We will focus on ocean skills including how to read the waves and conditions, and how to be safe out in the water. By alternating the beaches that we go to, we can tailor the camp to the specific needs of each child and find the best possible conditions for each day.

We will be in the water as much as possible in order to progress surfing skills. Instructors will be out in the water surfing and coaching each child. We will have tent on the beach to relax, get out of the sun and have lunch.

Schedule: Drop of at 8am. Drive to surf spot, set up, evaluate conditions and safety check. Get in the water! Lunch and break. Change location or surf again at the same spot. After lunch surf then return to pick-up location by 3pm.
